In our quest to build the **ULTIMATE PIZZA**, we put our heads together to figure out just what makes food taste “good.” Turns out, it comes down to contrast and balance of flavors and textures. We tossed around different ideas & ingredients until we had the perfect pizza which we now call “The **TWIST**.” The result is a perfectly balanced combination of crispy & chewy, sweet & hot, tangy & savory, creamy & tart, cool and warm in every bite. Try one and see why it was **VOTED TOP 3 IN THE NATION** by Pizza Today Magazine, **TOP 10 PIZZAS** in Michigan and Winner of the 2010 TASTE OF MUSKEGON BEST DISH.

The **TWIST** has a secret yellow sauce covered with our cheese blend, breaded chicken chunks & bacon strips. Finished *after baking* with fresh pineapple, tomato, yellow & jalapeño pepper, & homemade ranch.
